

EPISODE NO. 166

Eccl. 11:9-10

Be Wise!

9 Enjoy yourself while you are young.

Be happy when you are a young man.

Do whatever your heart desires.

Do whatever you want to do.

But, remember this:

The one true God will judge you by everything you do.

10 So, banish anxiety from your heart,

and forget about all the bad, physical things that happened to you.

This is because the joys of boyhood pass away quickly.
