Luke 11:33-36

Always Let Your Light Shine

Jesus said,

33 “No one puts a light under a basket and hides it. Instead, a person puts the light on the lamp table, so that everyone who comes in may see the light. 34 Your eye is like a lamp for the body. When your eye sees clearly, the whole body is made bright. However, if your eye is dark with sin, then your whole body is dark. 35 So, be careful! Don’t let the light in you become dark. 36 If your whole body is bright, and none of it is dark, then you will shine brightly as lightning does.”
